Health of Live-stock during January 1951.

In their order of severity, outbreaks of Rinderpest, Blackquarter, Anthrax, Sheep-pox, Foot and Mouth, Hæmorrhagic-Septicæmia, Rabies, Contagious Goat Pleuropneumonia and Ranikhet were encountered in the State during January 1951. Altogether 161 villages were reported to have been affected by one or the other of the several contagious and infectious diseases, as against 134 villages during the previous month. The number of outbreaks was highest in Kolar, Mysore and Tumkur Districts, while Chikmagalur, Hassan and Shimoga Districts were least affected. These diseases accounted for 1,053 attacks, of which 712 succumbed, as against 688 attacks and 440 deaths during the previous month. The departmental staff conducted 16,120 preventive inoculations and vaccinations against all the above diseases except Foot and Mouth disease. In the absence of a reliable method of vaccinatory intervention other prophylactic measures were adopted against Foot and Mouth diseases.

As many as 11 outbreaks of Rinderpest of which 4 were among sheep and goats were registered in Heggaddevankote, Kadur, Davangere, Holalkere and Honnali Taluks accounting for 46 attacks among cattle and 386 attacks among sheep and goats, of which 25 cattle and 364 sheep and goats succumbed. Prompt measures of control were undertaken by the department to check its spread and 3,466 cattle and 1,117 sheep and goats in the infected villages and 1,615 cattle and 423 sheep and goats in the 7 neighbouring villages extending over a radius of three miles were protected against the disease. The disease appeared to be well under control at the end of the month under report.

Prevalence of an obscure disease characterised by Gastroentritis among cattle and buffaloes in Hassan and Chikmagalur Districts was reported during the month.

The staff of the department have protected 291 animals during the month in these districts against the disease.

Diseases caused by internal parasites were reported from 118 villages resulting in 49 deaths, as against 92 villages accounting for 62 deaths during the previous month. The special staff attached to the parasitic disease control units of the department dosed 8,344 animals as against 5,781 animals during the previous month.

The rest of the live-stock remained free from diseases during the month and fodder and water were generally available throughout the State.

PROBLEMS OF INTEREST PERTAINING TO THE DEPARTMENT OF CO-OPERATION FOR THE MONTHS OF DECEMBER 1950 AND JANUARY 1951.

During the period under review, the 37th Mysore Provincial Co-operative Conference was held at Mysore on the 30th and 31st of December 1950 under the auspices of the Mysore Provincial Co-operative Institute. Sri K. L. Panjabi, I.C.S., Secretary to the Government of India, Ministry of Agriculture, New Delhi, presided over the deliberations of the Conference while the Honourable the Home Minister, Government of Mysore, Bangalore, inaugurated it. Various subjects calculated to the advancement of the Co-operative Movement in the State were discussed.

The Mysore Provincial Silk Handloom Weavers' Co-operative Society, Ltd., Bangalore, is becoming increasingly popular among the silk handloom weavers at Bangalore. During the very short period of its existence, it has enrolled as many as 1,040 members who have paid up a share capital of Rs. 66,305. Silk of the value of Rs. 12,99,016 has already been distributed to the weaver-members. As regards the working of the Co-operative Farming Societies, an extent of about 1,728 acres of land has so far been actually cultivated in respect of all the 12 Co-operative Farming Societies. The harvesting operations are in progress.

The first Board of Directors with the Controller of Civil Supplies in Mysore, as the President of the Mysore Provincial Cotton Handloom Weavers' Co-operative Society, having been appointed by Government, steps have been taken to arrange for the direct distribution of the yarn to the weaver-member through the agency of the Primary Weavers' Co-operative Societies either started or revived all over the State in areas where weaving has been a predominant occupation. With a view to implementing its working capital, the authorities of the Mysore Provincial Co-operative Apex Bank have sanctioned a cash credit accommodation of Rs. 1 lakh bearing interest at 6 per cent per annum and repayable within one year.

The inaugural meeting of the Mysore State Silk Powerloom Manufacturers' Co-operative Society was held during the month of January 1951 and its work started. It is with a view to arrange for an equitable distribution of silk among several powerloom factories that the society has been started.
